

CFL Lighting Incentive Form

Purchase and install compact florescent light bulbs (CFLs) in your home or business and receive a \$2 per bulb incentive from your local cooperative or municipal. ENERGY STAR® qualified CFLs last 10 times longer than regular incandescent bulbs and uses 75 percent less energy, saving you around \$6 a year in electricity costs.

1. Purchase and install CFL bulbs by December 31, 2017
2. Incentive is 75% of the purchase price - \$2 max/bulb.
3. Complete this form, attach a copy of your purchase receipt and mail or return documentation to one of the participating utilites listed below. For best results ENERGY STAR qualified bulbs are recommended.
