				Total	

Requirements:

- Must be a new purchased electric water heater installed on Red Lake Electric Cooperative's system.
- Must be on Red Lake Electric's Demand Response Program.
- Must be at least 240 volts and hard wired.
- Tankless water heaters do not qualify for rebate.
- Hybrid heat pump water heaters do not qualify for rebate.
- Multifamily dwellings do not qualify for rebate; however, exceptions will be considered on a case-by-case basis.
- Rebate limit of \$500 per member/customer account.
- Maximum \$300 rebate for the coupling of two water heaters in parallel or series.

I agree to verification of equipment installation, which may include a site inspection by a program or utility representative. I understand that I am not allowed to receive more than one incentive from this program on any piece of equipment.
