Wall Unit Heater						
					<b>Total</b>	

**Requirements:**

- Must be installed by a qualified, insured contractor. New installations only.
- Mail completed application and a copy of the itemized invoice to Red Lake Electric Cooperative.
- Electric heating system must be on RLEC's off-peak with a qualified backup heating system.
- Electric heating must be the primary source designed to heat the building.
- Electric heat is individually metered under a special rate.
- Electric heat equipment must be hard wired (no plug-in loads eligible for rebate).
- Air-source heat pumps do not have to be part of an off-peak heating system to be eligible for this rebate.

I agree to verification of equipment installation, which may include a site inspection by a Red Lake Electric representative. I understand that I am not allowed to receive more than one incentive from this program on any piece of equipment.
