Re: Request for Retirement of Service

Dear Red Lake Electric:

I, _____, OWNER of location known as *Account number* _____ hereby request that the power line to this location be retired as the service will no longer be used.

However, if at any time in the future I should desire to have the service at this location reconnected and the lines, poles, loop, etc. have not been removed; I agree to pay the standby charges from the time the service was discontinued. If the lines have been removed, I agree to pay the cost of retirement plus the labor charges to rebuild the line.
