Yes, I want to purchase Infinity Renewable Energy

I would like to purchase Infinity Renewable Energy as indicated below. I understand that the renewable energy charge costs \$.005 per kWh per month in addition to regular rates for electricity.

The purchase of renewable energy kWh is on a monthly bases. The member must submit the quantity of kWh they wish to purchase from Red Lake Electric either as a stated number of kWh's or a percentage of their monthly usage. The charge for those kWh will be billed on the member's monthly electric bill.

kWh to be purchased monthly _____ or percent of usage _____
